RYAN RYANS
FRESH & EASY

34006

The Jizz Industry eats up most fresh, young, pussy-steak for breakfast and then spits her out, sending whoever she was fleeing back to Kansas on the same Greyhound on which she arrived two weeks before. But buxom blonde newcomer **Ryan Ryans** refuses to be another notch on XXX's pump-and-dump headboard. Poking and pumping her dripping pussy with her favorite dick-shaped piece of lacquered glass, Ryan reveals her winning strategy: "There's no hot load too thick, no cock too fucking big, nothing too filthy, to keep this hot twat out of action," she smirks.

I will use them again and again and can’t help but recommend them to everyone out there who needs painting, or ‘Other Stuff.’ Eric was timely and professional and helped me chose great colors. Of course, he never actually got around to painting, as most of his time was spent balls-deep, pounding the hell out of my hot, wet pussy and tight, little stink-chute. What parts of mine he actually did cover, he covered well, including practically powerwashing my tummy with his hot iceberg-white splooge.” *******Lizz Tayler**, Chatsworth, California

FARRAH ABRAHAM'S SEX SEQUEL

33971

Farrah 2

BACKDOOR AND MORE

Review by JUGGY GALES

ALL IMAGES COURTESY OF VIVID ENTERTAINMENT

Farrah Abraham may have claimed back in 2013 when she filmed the amateur-style porn *Backdoor Teen Mom* that she was finished with the world of porn, but now that **Vivid Entertainment** has released the sequel, ***Farrah 2: Backdoor & More***—starring none other than Farrah and her former smut costar James Deen—it appears she has broken that vow. And by “More”, we mean that Vivid has released the sequel with over an hour of previously unreleased footage that will, as the hardcore mega-giant points out, “teach porn stars some new moves.” New moves or not, Ms. Abraham finds herself right back in the adult stratosphere, which is ironic especially in light of the tales she’s telling lately about how that first sex tape nearly “ruined her life.”

According to various news reports, Farrah is reportedly furious with Vivid Entertainment for releasing the second tape, primarily because she claims she never gave her consent, a supposition that her lawyer, who curiously remains anonymous, supports. Farrah’s lawyer told celebrity gossip and entertainment news source *TMZ* that his client did not give Vivid honcho Steve Hirsch permission to release a sequel and that they tried to shut down Hirsch, but to no avail. Abraham is “a mother, a public figure, and an author,” but not a porn star the lawyer told the site.

If she’s telling the truth, news of the video’s release must’ve been particularly upsetting for Farrah because she had been trying to work through her issues about her first sex tape on VH1’s *Couples Therapy*. She admitted on *Couples Therapy* that the first sex tape affected her so negatively that she thought she was experiencing a sexual depression. “[The sex tape] made it hard to have friends and a private life and to trust family, who I feel used me for money,” Farrah told *In Touch Weekly*. “If I went back in time, I would not have done it.”

MS. ABRAHAM FINDS HERSELF RIGHT BACK IN THE ADULT STRATOSPHERE, WHICH IS IRONIC ESPECIALLY IN LIGHT OF THE TALES SHE'S TELLING LATELY ABOUT HOW THAT FIRST SEX TAPE NEARLY "RUINED HER LIFE."

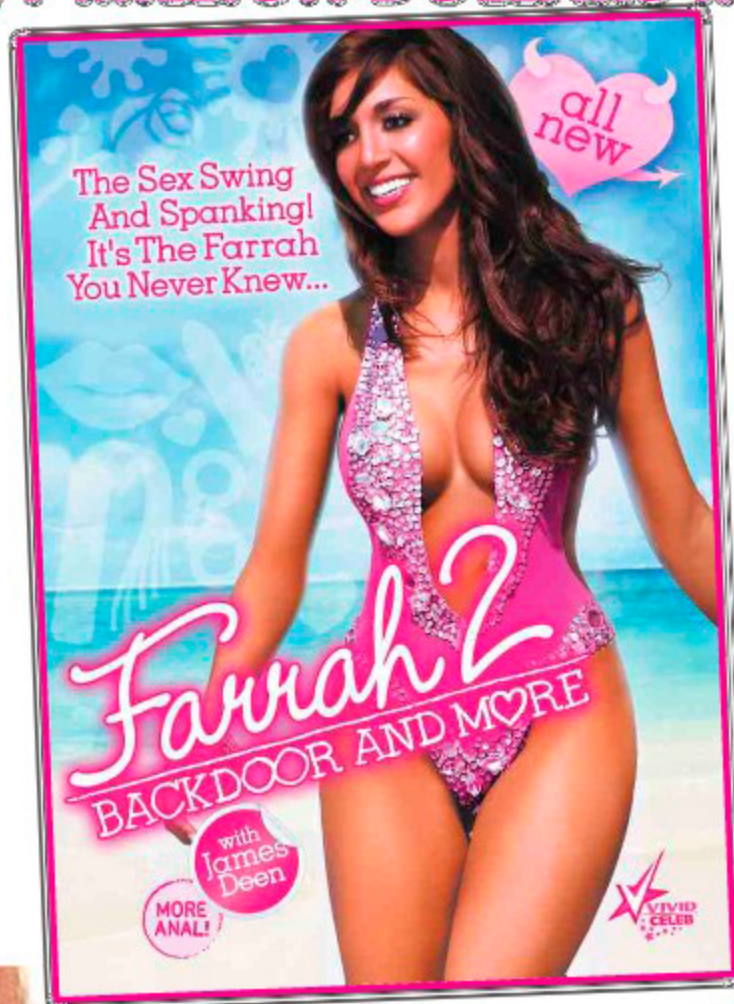

AFTER CLAIMING SHE WAS DRUGGED AND RAPED MORE THAN ONCE WHILE PROMOTING THE FIRST SEX TAPE, HIRSCH FINALLY CALLED HER BLUFF, URGING HER TO SUBMIT TO A POLYGRAPH TEST FOR WHICH HE AGREED TO PAY HER \$1-MILLION DOLLARS IN CASH IF SHE PASSED.

That may be the case, but many Vivid supporters believe that when it comes to honesty Farrah enjoys an conveniently egocentric relationship with the truth, as CEO Steve Hirsch, has, no doubt, experienced firsthand. After claiming she was drugged and raped *more than once* while promoting the first sex tape, Hirsch finally called her bluff, urging her to submit to a polygraph test for which he agreed to pay her \$1-million dollars in cash if she passed. Fail it, the Vivid chairman proposed, and relinquish all past and future *Backdoor Teen Mom* royalties. Last month Abraham's attorney countered that, "At this point in time my client has no comment to the offer made by Vivid."

"This is exactly what I expected from Farrah," Hirsch responded. "She's a fraud. We know she loves money, but once she

gets called out she's afraid to respond. First you can't stop the lies and then you can't find her...she's incapable of telling the truth."

Personally, as pretty as Farrah is, she's quickly becoming a huge turn-off. And we're not alone in that belief. Immediately following the release of *Farrah 2: Backdoor & More*, Vivid wanted to rid itself of anything having to do with her, including auctioning off on eBay the lingerie she wore during filming. Vivid may, in fact, wish to completely divest itself from Farrah, but not before profiting handsomely from her name and her fans and before she finally becomes yesterday's news.

BELLE KNOX

REAL COLLEGE GIRL

33980

By Rob Perez

ALL IMAGES FROM *REAL COLLEGE GIRL: BELLE KNOX*, COURTESY OF ADAM & EVE.

Ever since March we've all been fascinated with Belle Knox, the Duke University freshman who was unfairly outed by her college mates for her decision to perform in porn to help pay for her college tuition. Whatever your opinion, we at *HIGH SOCIETY* decided to take a deeper look at Belle Knox and why she so fascinates us.

PORN NEWBIE

Only 18 years old, Belle was a virtually unknown in the industry when her role in adult was first made public. Coupled with the constant harassment she endured at school, Belle was also vilified in the media. The fact that she was an above-average student never even entered into the equation. "I definitely had good grades, and I was very involved with my community," Belle told *AVN*. However, the fact that she enjoyed having sex on screen was too much for some people who attended the University. Nonetheless, Belle was propelled into the mainstream news spotlight despite her lack of porn credentials or working knowledge about the business, and was forced to defend herself, as well as the industry that employed her. While at times perhaps not the best spokesperson, Ms. Knox made it abundantly clear to everyone that not all porn performers have skeletons in their closets. As an 18-year-old, she clearly realized the consequences of her decision to become a XXX star, and, to her credit, didn't let the naysayers compromise her spirit.

She does, however, have her supporters, including interested parties at Duke University who are concerned for her safety on

campus. "The Duke administration has been completely supportive of me," Belle remarked. "Their priority is my safety and well being, and they've made that very clear to me. I am not breaking any rules and am regarded as a student in good standing. If they were to try and sanction me for my legal activities, I would raise hell. Same goes for any college administration that tries to sanction a student for engaging in sex work." Exactly what kind of hell an 18-year-old could raise against one of the most financially funded Universities in the world we're not sure. Still, the fact that Duke hasn't pressured Belle to disenroll from the institution speaks volumes about the attitudes of those at the highest levels of the University. Added Belle, "The LGBTQ community at Duke has especially rallied for me and supported me, for which I feel so blessed."

SEX INDUSTRY BACKLASH

Surprisingly, though, is the backlash Belle has received from the adult community. "Ooh, this Belle Knox thing got everybody in a tizzy. Don't you wish you thought of pretending to go to college to get press too?" said performer Dana DeArmond on Twitter. "Why put a girl who knows nothing about the industry—and is barely in the industry—as the voice for our industry.

Laughable! Laugh it off!" sniped *AVN* "Performer of the Year" Bonnie Rotten.

It's certainly too early to tell whether the current controversy will lead to A-list porn stardom for Ms. Knox, but, in the meantime, she's doing the smart thing by milking her newfound fame while it lasts. Not surprisingly, hardcore mega giant Adam & Eve is taking advantage of Knox's burgeoning popularity by casting her in their latest title, *Real College Girl: Belle Knox*. The sexy brunette appears in every scene and as you can see in these photos provided to us exclusively by Adam & Eve, Belle certainly possesses quite the sexual appetite.

"We are excited to be working with Belle, who's somewhat of a mystery within the adult industry," director Luc Wylder told *AVN*. "She was relatively unheard of before the story broke and it's interesting to note that Duke University is practically neighbors with Adam & Eve."

We believe Adam & Eve head of production Bob Christian put it best. "The public is intrigued with Belle's story. We feel they will be even more intrigued when they see her in an Adam & Eve film."

He's right!

For more info on Belle Knox, follow her on Twitter @belle_knox. For more info on *Real College Girl: Belle Knox*, please visit adameve.com.

"The Duke administration has been completely supportive of me." —Belle Knox

REAL COLLEGE GIRL: BELLE KNOX

Real College Girl follows Duke University freshman Belle Knox's evolution and exploration into the deeper places of her sexual desires. We begin with insightful, personal, and revealing interviews leading into an innocent masturbation scene. Next, Belle meets her heartthrob, Johnny Castle, in a sensual boy-girl bedroom scene. Belle has strong bisexual tendencies, which she displays in a smoking-hot girl-girl scene with Natasha White.

The climactic final scene of Belle's journey leads us into the darker side of her desires. We learn Belle is secretly, deep down, a kinky submissive and has fantasies of being dominated by two men. Richie Black and Will Powers help Belle fulfill her wishes and the innocent girl who we were introduced to at the beginning of our tale now performs in her first-ever three-way and transforms into a totally wanton submissive.

ASA, KATSUNI,
ALANA, & ANDY
**SYNCHRONIZED
STUFFING**

It's a hybrid sport with elements of stripping, slutting, and cramming clam, and the fuck-happy foursome team of **Asa Akira**, **Katsuni**, **Alana Rae** and **Andy San Dimas** remains this country's best hope to win big in the next Olympic Games (should the Olympic Committee ever go completely batshit and decide that a handful of lesbians jabbing each others' cunts with dildos to a smooth jazz beat is an actual sport. We're not saying our eyes wouldn't be glued to every last fucking televised minute of such a competition—we would—but any performance requiring so much great strength, endurance, discipline, and precision timing can drain anybody. We imagine it'd also be pretty tough on the girls.

NIKKI BENZ
TANKED TOPS

HIGH SOCIETY 43

Extrême cream-queen **Nikki Benz** may be built like a fucking sex tank, but this mild-mannered penis-eating passionate pacifist prefers making love, not war, and despite the number of soldiers, sailors, and airmen who have attempted to make a landing on her deck, she's actually not the kind of girl to put up much of a fight. With a hiney sculpted from pork chops and breasts like overripe muskmelons Benz has the kind of badonkadonk that actually makes a man consider using the word "badonkadonk" in a sentence. Fuck. We just did!

Poor Thomas! Not that we feel sorry for this lucky fucker, getting to stick his shame-pole inside the pink flesh of both **Aletta Ocean** and **Simony Diamond**, but it's got to be tough to tell these two insanely horny starlets apart. Both have raven tresses and swollen, cock-sucking lips, and their pussys are tighter than shrunken cotton turtlenecks. Not that it matters which hole he ends up sputtering his snake paste inside or outside of, or which face ends up the creamiest. These girls are certified champions. He simply cannot lose. Well, for the record, Thomas, Simony is the one with the ink on her left shoulder blade and the strap-on. No worries, dude. Aletta and Simony don't have a clue what your name is, either—you're just another Dick.

INFILTRATING AMERICA'S MOST DISTURBING SEX CULT

Story by PETER THOMPSON Illustration by WAYSHAK

"Bravery isn't when you go looking for trouble; bravery is when trouble comes looking for you."

—P.I. Barrington, *Final Deceit*

Tonight we're in a tastefully, but minimally decorated yoga studio in a tony suburban shopping complex in West Las Vegas. Twelve of us (six mostly attractive middle-aged women and six younger men) sit on the floor or on pillows while we listen to a wisp of a woman named Deidre LaPierre talk about the joys of diddling your clit. Like all yoga studios, the place smells like old sweat socks. We're just a few miles from the unlit, neon zombie blocks of boarded-up hovels, shacks, and shit motels that are being condemned, torn apart, redeveloped, and rebranded as the downtown Arts District. Behind the gauzy light of silk drapes stands the Oz-like dystopian visage of the Stratosphere.

Outside, horns are blaring as people

finger-puppets over here at Second Swallow's "Night of Joy and Awakening": \$10 in advance; \$15 at the door.

FINGERBLASTING 101

Despite its name, Second Swallow is not one of those arch regional sex-act euphememes from the Internet (like the now-infamous Cleveland Steamer, the San Francisco Bird Feeder, or the highly underrated Central Arkansas Community College Ass Rainbow). Nor is it code for some type of ill-conceived, two-team snowballing technique. The mission of Second Swallow is to bring frustrated women with disposable income together with frustrated men with working fingers and only mere microbes of personal dignity to solve both of their respective problems. The secret orgasm technique for which the group charges—\$8,500 over six weeks of "fieldwork" to learn all the ins and outs—is nothing more complex or esoteric than a literal 15-minute "let your fingers do

put it most graphically, "that new seven-hour Tyler Perry movie."

Gasp.

For most of us, "cult" triggers a flood of negative, nearly cinematic-quality images and phantasmagorias... implications of baffling and bizarre blood rituals that may or may not involve the sacrifice of a goat, as well as the mass suicides of socially malleable fuckwits with irregular, self-inflicted haircuts. To describe any particular group of like-minded religious celebrants as a "cult" just because they choose to share their zealous veneration of some 19th Century bigamy-drunk con artist is pejorative, judgmental, and sniping—but not necessarily *wrong*.

CULT OF PERSONALITY

A "cult" is evocative. A "cult" may be started by any semi-sadistic megalomaniac with enough magnetism and imagination to impart his insane delusions onto others, but a "cult" almost

Second Swallow uses the taboo of sex and the innate guilt in masturbation to inspire people to make horrible and financially costly life choices.

jockey for position in front of Unity Foods. The parking lot is full of Panzer-like SUVs saddled with car seats and \$50,000 electric sedans sporting bumper stickers decrying the abject poverty of The Third World, chaste slogans on the wisdom of lowering one's consumption, and meekly suggestive mantras concerning yoga practitioners, and how they "do it" better. Traffic is bunged up in front of the store where the do-gooders are double parked and camped in front of a pair of fire hydrants while the occupants angrily cut each other off and give each other the finger. Inside the store nobody has any idea that dozens of desirable women are getting knuckle-fucked like

the walking" group meditation session where "cash or credit card?" is the chief and only mantra. The men are trained to be completely subservient to the womens' sexual needs and most seem to walk out of the meetings running to their cars while continually sniffing their forefingers.

At the very flower of its worth as a word the term "cult" can articulate a kind of slightly enthusiastic but, mostly, cynical gut reaction to anything one finds personally repellent that involves more than three unrelated people sitting in a room not watching TV. For most, though, it's a simple scare word, a kind of linguistic act of terrorism. "Cult" is an expression meant only to shock and distress the common folk, similar in intent to such utterances as "recently escaped knife rapist," "vaginal incisors," or, to

always ends with archival news footage of bed sheet-covered corpses in makeshift morgues. They are localized human potential movements run amuck, twilight zones teeming with the troubled—a lot of single mothers running from horrible divorces and violent ex-husbands and a lot of virgin men fleeing from life itself, but mostly their own genitals. Imagine a group of them in mid-worship, psychological droolers, some actual droolers, and lots of halitosis spittle spewing from the shit-vent mouth of their chosen one. They're sitting cross-legged in a semicircle, fawning around their slipper, heavily bearded, toad-eyed holy man with a ponytail and a doomsday grin. He strums bad folk guitar perched on his wooden stool and sings his ragged-ass gospel into an ancient microphone while his particu-

lar sect of acolytes and religi-tard believers sing for their enlightenment—and or supper. Through their wormy guru's professed loophole to eternal life and heavenly happiness, they've finally caught that something they've been seeking. Maybe it's an answer to life's question, maybe it's a question to life's answer, and maybe it's an STD from a poorly cleaned yoga mat.

No, the word "cult" has long-since been debauched beyond any hope for rehabilitation, mostly because of the hideously depraved and criminal behavior of said "cult" leaders, who

Yankle's "30 Minute Power Pilates," but she's also getting free underhanded handjobs. The path to Second Swallow hell is paved with deceitful, illegitimate fisting. It can only be a matter of time until multiple human remains turn up in somebody's crawl-space. Or, you know, a giant fucking pile of bodies with amputated hands at Second Swallow headquarters, the LaPierre family mansion in downtown Poughkeepsie, NY.

The third game of the evening, called "Blow Your Fucking Cover", was even more ominous. Each member of

people") has turned into the Room of No Return at Gitmo. We are being interrogated, semi-humiliated, and then actually forced to thank the stranger who just insulted us.

This is an altogether different type of bondage than anybody here was thinking of when they paid their money at the door.

BECOMING ONE OF THE CHOSEN

After the night's festivities comes the hard sell. If the women really want to learn how to see God when they

By coming here and paying money, we've recognized the group's authority. And by sitting in the hot chair all of us have already messed on the owner's floor.

often never come to public attention until they're finally being perp-walked for their grand jury arraignments in Kevlar vests. Thus, the much more neutral and less upsetting term "New Religious Movement" (NRM) is now the preferred nomenclature to describe any fringe religious movement in its infancy.

All of that being said, the "Second Swallow" society is not a New Religious Movement it's a motherfucking cult—and a fucking shit-steamy sex cult at that. Not only is group founder Deidre LaPierre making millions off of horny, un-orgasmic new agers who wrongly chose between either Second Swallow or celebrity trainer Bobo

the group got his turn in the "hot seat." One at a time, each of the unassuming, trusting initiates were blinded by a Klieg light of stress in the probing gazes of their peers and then made to answer humiliating and sometimes rude personal questions such as "How do you like to touch yourself?" It's no surprise that many people list the fear of public speaking above that of their own demise—most people would rather eat a gun. It's uncomfortable, but after it's over everyone is so nice and supportive and they've all been through the same hell so everybody bonds, smiles, and hugs. It's very touching if by "touching" one means actual physical hand contact on a lot of freaky strangers who reek of patchouli and saag paneer.

Those people who exude confidence and actually enjoy public speaking? Well, those aren't the kind of people this organization is trying to recruit anyway.

Those are the kinds of people who run it.

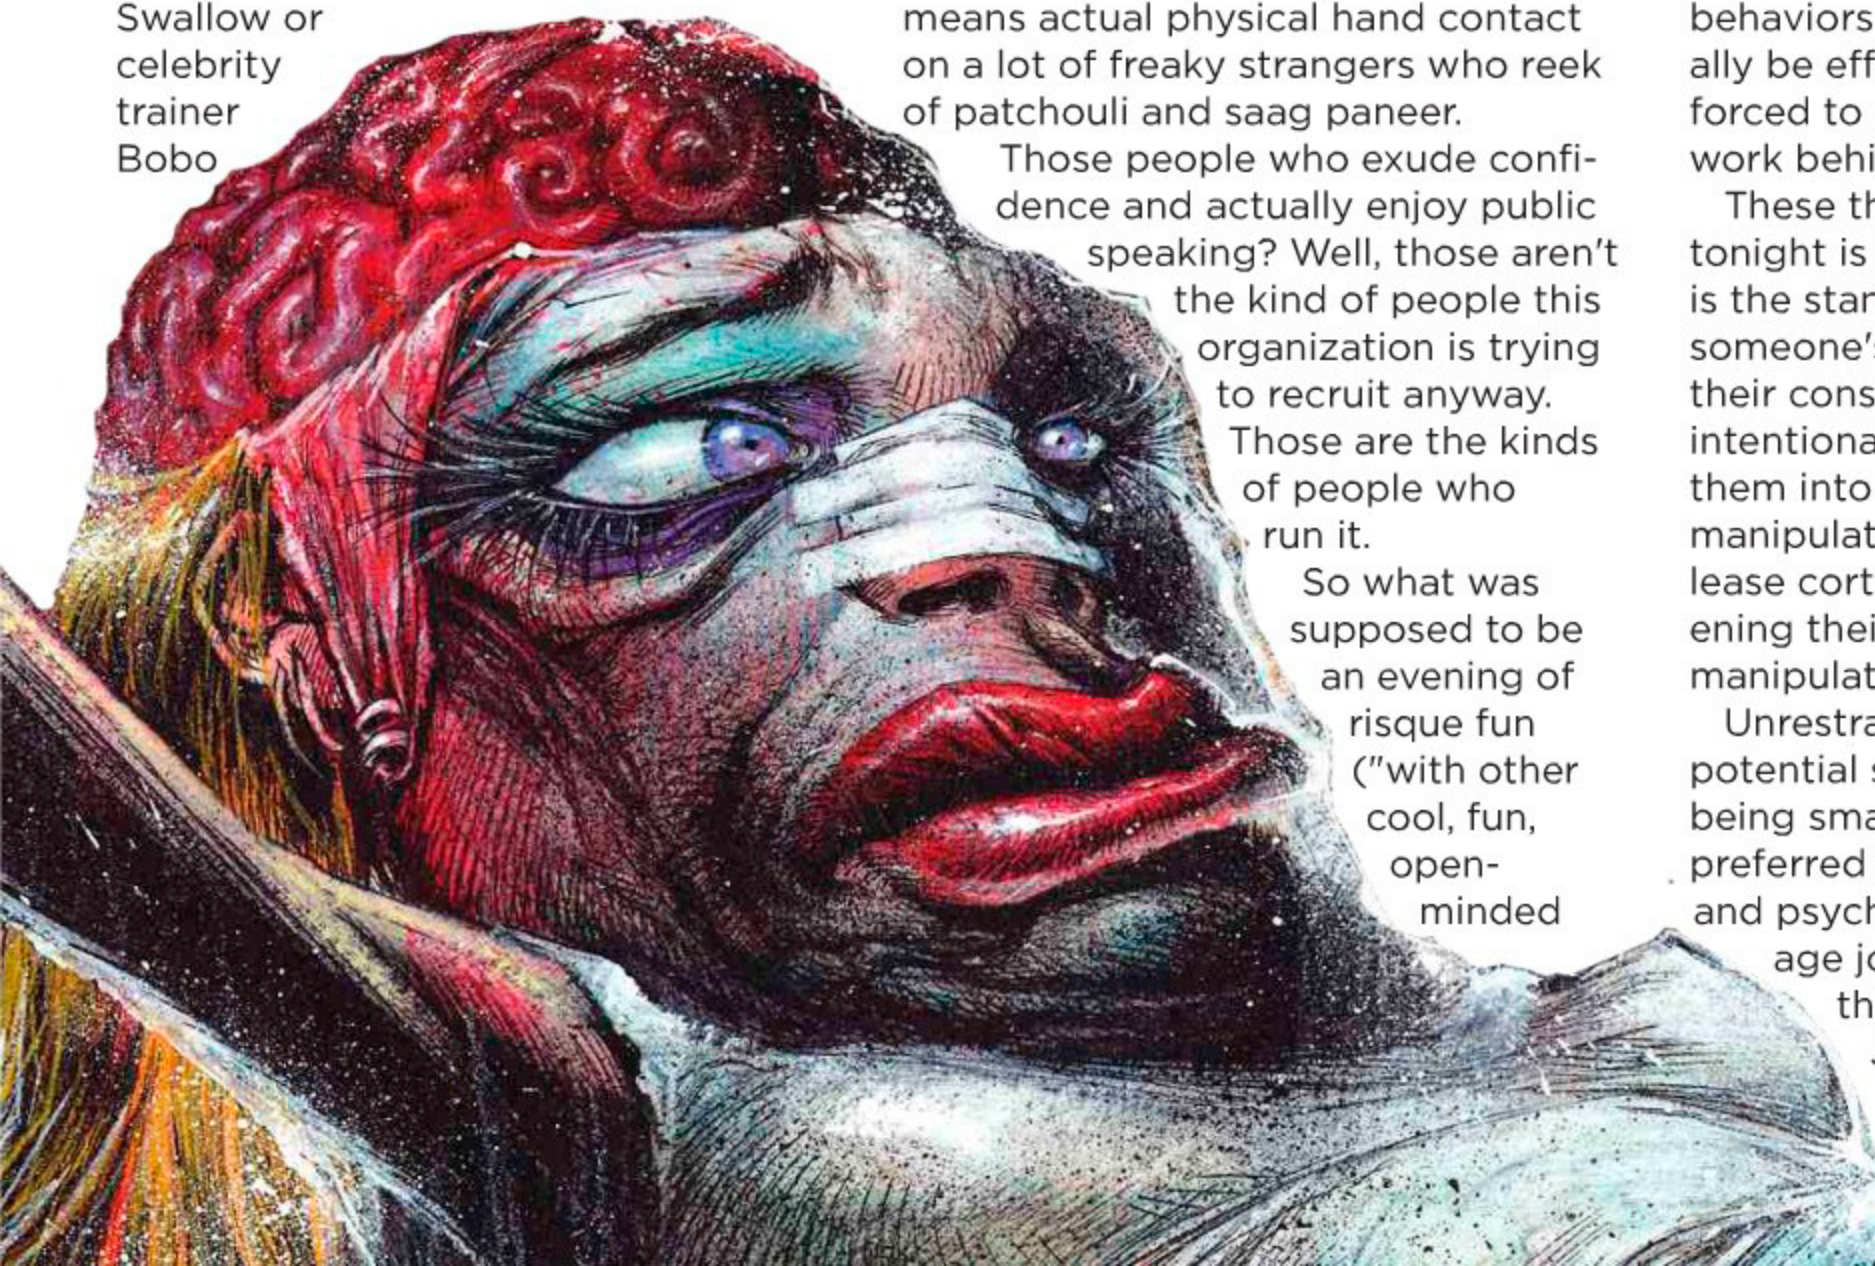

So what was supposed to be an evening of risque fun ("with other cool, fun, open-minded

cum, they can pay an additional \$8,000 and dedicate three days of their lives to learn Second Swallow's recipe for secret sauce. The men pay even more dearly. But if you want to become one of the thousands of "the Chosen Handful", you have to be accepted by the "in group".

In the science of behavioral modification, this deception is called bringing someone to a "trainable moment". At the CIA in the mid-1950s under Dr. Donald Cameron, head of the government's infamous MKUltra research program, this was called "an uninspired failure" because although the patients could be influenced and their behaviors modified, none could actually be effectively programmed and forced to unknowingly perform wet work behind the Iron Curtain.

These three games we've played tonight is right out of the manual. This is the standard technique to influence someone's emotional response and their consequent behavior: first you intentionally stress them, sending them into a state of fight or flight and manipulate their nervous system to release cortisol and adrenaline, heightening their state of awareness only to manipulate the shit out of them.

Unrestrained by social mores, the potential scorn of their neighbors, or being smacked in the face, the CIA preferred heroic doses of paralytic and psychedelic drugs and high-voltage jolts of juice to get people to this moment of influence. Dr. Josef Mengele used even more invasive techniques in

his research at Auschwitz. Second Swallow uses the taboo of sex and the innate guilt in masturbation to inspire people to make horrible and financially costly life choices. Somehow, this seems even more insidious.

The group's entire message can be summed up this way: *Heavenly enlightenment can be easily attained with just 15 minutes of continuous finger-fucking at a time.* Those promised orgasms, which are actually loss leaders in the spiritual scam business, are strictly optional. Giving away your personal freedom and belief system to an all-star clique of assholes, however, is not.

This is how you train a dog: You establish your authority and then make corrections to his behavior through both positive and negative reinforcement. A dog gets emotionally stressed when he thinks he has done something wrong and adjusts his behavior accordingly.

GAME OF MOANS

By coming here and paying money we've recognized the group's authority. And by sitting in the hot chair, all of us, even the pretty young brunette who works at the Wynn and probably denies even owning toilet paper, have already messed on the owner's floor. However, instead of feeding us little strips of bacon, we're being

niques and paths to endless bliss involve basic meditation, thought stopping, and repeating certain mantras like, "Ommmmm," "Ahhhhh," and "I'm gonna cummmmm."

It's not that every cult kingpin is some sort of irresistible or illuminating spiritual trailblazer. Judging strictly on how many are serving multiple life terms in maximum security lockups around the nation, most of these leading lights seem to be little more than very manipulative and sadistic serial sex abusers and charlatans leading packs of super-spoiled dolts around in circles like donkeys on leashes. As all men who think with their dicks soon discover, putting the search for genital pleasure above every other human need in search of some higher state of consciousness usually leads to brutally bad decision-making. Women who think with their vaginas can't be any different. Those gash gurus who claim they've seen vi-

learn to play the influence game on our own terms and use it for our own sick sexual gratification and financial gain?

So how do they do it? Do you really need to have that ineffable and entrepreneurial, almost predatory-like charisma to get people to follow you to the ends of the earth or to a makeshift camp in South America? Does Mohammad really move the mountain or does the mountain move Mohammad?

It doesn't take a PhD in Behavioral Science to see that socially timid, sexually stunted American women want to experience the thrill of orgasms. Finger-pimp Deidre LaPierre certainly doesn't have any degree, not even a GED from an online high school, and she keeps that Second Swallow pimp hand ghetto-strong by keeping her finger right on the pulse of the pussies of

Second Swallow and movements like it seem to be more influenced by the bullshit business techniques of Enron than the parables or prophecies of Enoch.

rewarded with the promises of sexual pleasures the likes of which we've never known and never will again unless we take the group's course on how to achieve that desired state.

Spoiler alert: Pleasure for 15 minutes. That's the secret to enlightenment. That's how you become "connected." Connected to what: The mafia? A power cord? A State Farm operator standing by? Doesn't matter. The naive idealism of unassertive growth seekers looking for meaning in their lives only demands that they feel they are connected to *something*.

The other Second Swallow tech-

sions of anything other than porn people fucking on a couch while masturbating should probably just be medicated. Second Swallow and movements like it seem to be more influenced by the bullshit business techniques of Enron than the parables or prophecies of Enoch.

The idea that a guy like Charles Manson is a fascinating, especially bright, or even an remotely interesting son of a bitch with anything new or unique to say about the human experience is ludicrous. Can we study the chess moves of Manson or Second Swallower leader Deidre LaPierre or her guru, the late Swami Sri Rama-Krishna Caakjakkar and

the people who will pay for it, and by giving those people exactly what they want: 15 minutes of self pleasure. And, so, like trained circus animals, the people learn to want what she and Second Swallow sells. And, also just like trained circus animals, eventually one of those followers are going to be pushed too far and he's going to snap and go on a beastly bloodlust of a rampage, killing a half dozen of the group's emotional tampons (aka the men of Second Swallow). If history has taught us anything, it's that the very first person killed when an enraged animal attacks is almost always the very same person who trained it.

ROMI RAIN

by Rob Perez

THE HIGH SOCIETY INTERVIEW

PORN VALLEY, CA— WITH LONG, DARK HAIR AND BEAUTIFUL, HAZEL EYES, BOSTON NATIVE ROMI RAIN IS AN EXQUISITE BEAUTY. JUST ONE LOOK AT HER EXOTIC BEAUTY TELLS YOU THAT SHE IS SOMETHING SPECIAL. BLESSED WITH A TANTALIZING BODY, ROMI'S PERFECT FIGURE WILL HAVE YOU FANTASIZING ABOUT IT FOR DAYS. ALL THAT SEDUCTIVE BEAUTY IS ANCHORED WITH A FLAMING PHOENIX AND FLOWERS TATTOO ON HER BACK, THE PERFECT WAY FOR ROMI RAIN TO SHARE HER BELIEF THAT NO MATTER WHAT HAPPENS IN LIFE, IF YOU FALL OFF THE HORSE, YOU JUST HAVE TO GET BACK UP AND TRY AGAIN! NOTHING KEEPS THIS SIREN DOWN! SHE'S ON HER WAY TO BECOMING ONE OF THE INDUSTRY'S A-LIST GIRLS. SHE HAS IT ALL: BODY, BRAINS, AND BEAUTY—WHO COULD ASK FOR ANYTHING MORE!

HIGH SOCIETY:

You're new to the business and you're a little bit older than most new girls who enter porn. Does it seem weird for you to be the oldest out of all the new starlets?

ROMI RAIN: Not really because I'm actually not. You'd be surprised. There are a few girls that are very popular right now who are really new as well that are not 18, 19 years old either. I'm not a MILF, I'm only in my mid-twenties, you guys. [Laughs] I suppose there's a difference getting into the industry when you're not 18, 19, and 20. I'm actually grateful that I didn't because I'm a different person than I was then. I'm personally glad I got in when I did just for me because I probably wouldn't have been on my game. I was dancing and shooting nude stuff for the past few years. This is my first year doing hardcore—so, to be honest, not really. There's a pretty big range nowadays for brand new girls.

HS: *You're really into rough sex, right?*

RR: I think "rough" sex gets a bit of a bad rap. I think it ties in more with passion. I like passionate sex. I want to be fucked

by someone who really wants to fuck me. Somebody who wants you so badly that they grab you a little bit tighter, pull you in a little bit closer. I want to really get into it. Put your hands around my throat and pull my hair. [Laughs]

HS: *So choking, spitting, hair pulling you're into all that?*

RR: I am. I don't think every sexual experience needs to be that intense, but I do like that. I do like intensity, in general. I don't want people to think every time I have sex I want people to smack me around, but it does always have to be passionate. Chemistry is really important to me. I want it to be really authentic.

HS: *Describe one of your most passionate sexual experiences off-camera?*

RR: I was around 20, 21... and I was just getting involved in a polyamorous relationship at the time, and they were introducing me into exploring my sexuality. It was my first time doing anal sex regularly and they taught me how to do it properly, then we got a little rough and we used a lot of toys. It was very wild. It was hotter than anything I've shot in porn, the behind-closed-doors stuff. So I think probably my three-way relationships where it was kind of anything goes and was hypersexual. That was probably my wildest, roughest experience.

HS: *What would you say is the best and worst thing about being a porn star?*

RR: The best thing is you get to have sex with really attractive, talented-at-what-they-do people and you get to look your best while doing it. It's a lot of fun to be in full hair and makeup and still have great sex. You can take great pictures from it and I like that kind of stuff. So the best part about it for me

**I know I'm a
tease, sorry
everyone. I
believe in the
whole "making
them want it."**

33896

is you actually get to have great sex with good people and you look good doing it. You also get to go out and have fun, and you get a little more opportunities, explore the world and have the world be your own playground. Negative [things], I would say it is actually a lot of work. A lot of people don't understand it is still very much a business and you have to be professional. I can't tell you how many times I had to be up at four in the morning to be on a plane, or if my call time was early and it was an hour and a half away from me. Sometimes your days off are not days off. They're what I call maintenance days. You're basically taking care of your life and making sure you're ready to go to work the next day.

HS: How did you come up with your stage name?

RR: Rain is what I danced under, off and on, and I was very attached to it. Romina was a good

friend of mine. She was an Italian/Puerto Rican girl who I had my first sexual experience with. I always called her Romi and I always thought it was a pretty name. It just clicked with me one day that it was what I wanted to go by and it worked well with Rain and I like it a lot.

HS: On a scale of one to 10, where would you rate yourself looks-wise?

RR: Sounds like a loaded question. If you are into my type I would say I'm an eight. If we're talking just looks then probably a good eight.

HS: Sexually speaking are you a more dominant or submissive person?

RR: I like to be submissive with men if they can dominate me because I'm a little bit wily. So I like when a man ends up taking control. And I'm dominant with women because I am actually bisexual and I usually do want to maul the

pretty lady. [Laughs] So I prefer to be more submissive with men if they're more dominant. I prefer dominant men because I am a relatively dominant female.

HS: But you also don't have a problem submitting to a woman, especially if she's physically bigger or wilder...

RR: Oh no, if she wants to dominate me then by all means. But if you're going to dominate me then dominate me. That's how I feel.

HS: Will you be doing anal anytime soon?

RR: I'm not against anal. I've had plenty of anal in my personal life. I've just been easing my way into my career a little bit more. I will do it eventually at some point. I like the idea of a tease. I know I'm a tease, sorry everyone. I believe in the whole "making them want it." So when people want it bad enough, when I start getting an annoying amount of calls about it, [Laughs] whenever that happens, it will happen.

I think "rough" sex gets a bit of a bad rap. I think it ties in more with passion.

HS: Do you have any fantasies you have yet to accomplish?

RR: I'm going to be doing my first boy-boy-girl. I've had so many three-ways on camera and off-camera, but I've actually never been with two men at the same time, believe it or not. And I very much desire to. It's always been a dark, little fantasy of mine. I'm interested in that so I'll be doing that.

HS: How about a gangbang with you and multiple guys?

RR: I'm sure at some point, but I'm a one-thing-at-a-time kind of girl. I want to space things out and make people want it a little bit. That would be after my first anal and also I want to do things right. I don't want to do a gangbang and not be open to anal or DP. So I would first have to be ready for all of that. Could I see myself getting gangbanged one day? Probably, not this year, but possibly.

HS: If not a gangbang with guys just yet how about a lesbian gangbang where you're the center of attention?

RR: That would be fun. Sure, I would do that tomorrow. I like lesbian orgies. I do a lot of group scenes. I'm pretty accustomed to having a bunch of girls around which is fun. I'm not a bench warmer. I will keep busy.

HS: Do you masturbate often?

RR: I do. Well, I don't have to very much due to work and I get a lot of my jollies on camera. But of course, I have to masturbate every so often.

HS: What do you like to fantasize about?

RR: Honestly, I like thinking about my own experiences. Some good sex I already had or a scene I just shot. I like to draw from real life a little bit. I have found I enjoy watching my own

THE FUCK FACTS

Birthday: January 12, 1988

Birthplace: Boston, MA

Height: 5'6"

Weight: 120 lbs.

Measurements: 34D-24-32

Movies: *Raw 16* (Evil Angel), *MILFs Seeking Boys 5* (Reality Junkies), *Oil Overload 9* (Jules Jordan), *Double D Vixens* (Digital Sin), *Hot Chicks Big Fangs* (Digital Playground)

34014

I want to be fucked by someone who really wants to fuck me.

porn as bad as that sounds. I almost don't want to say it out loud, but I didn't think that I would. As time goes on, if it was a good scene like if I really enjoyed myself in that scene, I really like watching it over again and watching myself get fucked. [Laughs]

HS: Besides your own porn what porn do you like to watch?

RR: I do like the more fun, wild passionate porn. Unfortunately I don't really watch it so much anymore because I know a lot of people in the industry now. [Laughs] It makes more sense for me to watch something that I'm in where I'm getting fucked than watching friends and co-workers and everybody else just have sex. And two, because I've been working on my own site lately you watch porn slightly differently, like almost a bit more analytical from a production standpoint. So I almost have to pick very carefully my own porn.

HS: Describe one of your hottest sex scenes?

RR: That's tough to say because it changes a lot. I do really good work with Tony Ribas. He and I were in *Oil Overload 9*. That was a really popular scene. *Slutty and Sluttier* with Manuel [Ferrara] that was a really kind of rough scene. My Brazzers scenes with Johnny Sinns and Kieran Lee are very sexual, the chemistry is really hot. I almost can't say; that's a difficult question. I rather my fans tell me what's my best.

HS: What's it like to have a job where you can be naked at work every day?

RR: Sometimes it's great and sometimes it's like you ate too much pizza the night before. [Laughs] It's usually a lot of fun as long as you're on point. It's cool; you kind of get a little desensitized by it. There's some good and bad, but it's fun as long as you don't have a fat day. [Laughs]

HS: What's one sex toy you can't live without?

RR: Anything that vibrates.

HS: What's one film you performed in that you're most proud of?

RR: I don't think I've put out my best stuff yet. Anything by Jules Jordan, my Brazzers stuff, Evil Angel stuff, my new scene for Elegant Angel—I really can't say. There is no one scene I think. There are a few scenes I think are really good. I don't feel like telling people what's the best anyway. I've been doing too much lately and I still have a lot to do, so hopefully I haven't put out my best work yet.

HS: Those were a bunch of gonzo companies you mentioned. Have you done much feature work?

RR: I have. I did *Hot Chicks Big Fangs* for Digital Playground where I play a sexy vampire. Perhaps my biggest feature was for New Sensations' *Laws of Love*, directed by Eddie Powell and Jacky St. James. I'm actually the star of that. I'm not sure when that will be out because we just wrapped. There were two days of just dialogue and I'm excited for that. Hopefully, there will be a lot more features for me. I have done a lot more gonzo work so far, but I'm also relatively new. But those are fun. Gonzos are great because you really just have awesome, amazing rough sex. And features are a lot of fun

because you read lines, it's a little more elaborate and there's more to the day. They're both different and good in their own way. In 2014, hopefully, you'll see me more in that spectrum. It was also a romance which I was a nervous about. My first big feature with a starring role and it was a romance movie. I'm not known for being super romantic. [Laughs] Hopefully people will respond to it. It was a little bit more sensual than the usual crazy scenes you might see me in. I have a lot of dialogue in that so I hope you'll give me a good review on that. It will be my biggest starring feature to date.

HS: What's one male and female celebrity you would like to have sex with?

RR: Kate Beckinsale for female. Clive Owen for male.

HS: In closing what would you like to say to your fans reading this in HIGH SOCIETY?

RR: Thank you, so much. I can't believe I have fans at *HIGH SOCIETY*. That makes me very happy. I'm very grateful that you guys are supporting me on my little, sexy, slutty adventures. I'll keep entertaining you guys as long as you allow me to.

PRINCE YAHSHUA'S LIL' MAMAS

By AcmeAndersson

CINDY STARFALL

KATIE ST. IVES

REMY LaCROIX

RILEY REID

STARRING: CINDY STARFALL, KATIE ST. IVES, REMY LaCROIX AND RILEY REID
WITH PRINCE YAHSHUA DIRECTOR: BUSTER HUMP **STUDIO:** DIGITAL SIN

Prince Yahshua is a favorite among the ladies of Porn Valley today and it was only a matter of time that this baseball bat-cocked black man got his own movie banging several of the hottest chicks in the biz.

It looks like he was given the chance to pick his favorites, since these are four babes any guy would want to bang: *Cindy Starfall*, easily one of the hottest Asian chicks working today and an incredible performer; *Katie St. Ives*, a dreamy-eyed pixie with a tremendous body; *Remy LaCroix*, porn's hottest star over the past three years; and *Riley Reid*, the sizzling starlet who is cute personified.

With a lineup like that, all that's necessary is a cock that can keep up with them, and that's where Prince Yahshua comes in. He pounds dames as good as anyone and he shines in this showcase. Hit play and throw away the remote. You don't want to miss a moment of this.

CINDY STARFALL

Cindy seems to have a Fuck Me switch that when turned on she just goes ballistic for cock. Someday a producer should put a hard cock on the other side of a brick wall and flip that switch. She'd have mortar in her mouth by the time she got to that cock.

No need for that here, Yahshua is interested in seduction not destruction, though he may destroy a few pussies for the average man. From her tease in a pool lounge that has her floating and emoting, Cindy's energy and sexual appetite is obvious. When he pops his cock out in front of her face, she purrs about its size. "Can I have it?" she asks. "Right here?"

No more questions are asked. The blowjob moves from the bed to the living room when he carries her inside. After more cock worship she crawls on top of him, mounts him with ease, and then bursts into overdrive. His size is no challenge and she bounces and screams with ease, using his prick to indulge her pleasure spots. She turns around, riding him hard, her hand slapping her clit as she babbles out fuck me nonsense until she's finally brought to a momentary standstill with an orgasm.

She thanks him by sucking his cock, giving her pussy a well-earned break, but her enthusiasm doesn't diminish and she's soon back on top. They run through several positions and Cindy is still going strong when the Prince finally gives in to his need to shoot his seed. She begs and pleads and moans and wiggles her tongue in the air in anticipation, mouth and face taking his splash as a righteous reward.

Chocolate Eclair: Luscious
Cindy Starfall gets her just
desserts, compliments of the
Prince's pecker.

KATIE ST. IVES

Katie is the curviest and furriest girl presented here, and she's also the owner of eyes that almost make it hard to look at the rest of her delicious body. There is a short tease before Yahshua moves in, already disrobed and cock at the ready. Katie's jaw drops, creating the perfect opening for Prince's pecker.

Masterfully using her mouth and hands, Katie is both awed and inspired by the enormous cock. Her two-twisting-hands blowjob is the kind of thing most men will experience only in the movies—it is a talent that escapes most civilian girls. Prince bends her over on the couch and laps at her pussy, which is shaved by the entrance. Getting that taste on his lips, he moves in and Katie takes a little

work to be able to accept his massive dong in her tiny twat. Within a couple minutes she submits entirely and is better off for it and she orgasms within a couple more, forcing him to pause for a moment as she regains her composure.

Many orgasms follow, but Katie adapts and is able to fuck through them. She is limber and he folds her into various positions to fuck her and she has all the attributes of a gymnast with an Olympian sex drive. They move around the house and it is particularly remarkable when she bends so far that her feet rise above her head and settle on the stairs above as he destroys her twat. It's here that he blows his wad, popping into her mouth, her eyes still ablaze as she looks up at him.

Yahshua Guessed It: The ebony archer takes St. Ives in every position and dumps his load as the result of a two-twisting-hands blowjob.

REMY LaCROIX

There are few in the class of Remy and, as always, she does not disappoint. He find her in an outdoor shower, and he finds her receptive. His cock is quickly in her mouth and soon they get out of the water and move inside, where they can enjoy each other without distraction. Remy is as dreamy as ever, probably the most intensely sexual laid back chick to ever screw for the camera.

They start off with cowgirl, which showcases her legendary booty while giving them a comfortable jumping off point. Remy eases into intensity and after this first position gives him an eye-popping blowjob that has her makeup running and appears to nearly cut off her breath entirely. A well-

placed camera catches the follow-up, which is Remy lowering herself onto his long schlong as caught from behind her behind. She fingers her ass as the black pole fills her puss, and her amazing ass frames it all.

They move around the house and Remy is clearly his match. He's prepared for the event by wrapping his knees, knowing in advance that the energetic hippie chick could lead him into places that challenge him physically. There seems to be no position she can't get into, and every thrust of his cock seems to give her more energy to go on. Holding her knees back behind her ears, Yahshua pulls her twat and when he pulls out one can't help but wonder how the entire thing fit inside her. They close off with a doggie style that shows off the ass and Remy anxiously turns around in time to take his load on her face.

Remy Smartin: LaCroix takes a licking, but keeps on dicking.

RILEY REID

Even before Prince arrives Riley is prepping herself, down to her panties and barely that, her fingers so easy to commence the pleasure. The man is a welcome addition and her blowjob a thankful plea, her desperate eyes looking up at him, hoping her work will be appreciated. It is.

And he does make her work for it—she's sucking on him a full seven minutes before her cooch gets any attention at all. The young lusty is finally allowed to climb on board and she doesn't waste the opportunity to finally get her pussy penetrated. Her gash is eager and she rides him to a machine gun effect—hard

and fast and louder than hell. Her pace is a challenge and Yahshua literally rises to the occasion. He puts her on the top of the couch and nails her from behind in an attempt to wear her down, but her reaction is almost casual. He puts her on a chair and orders her to pull her legs back as far as she can, a position that allows the absolute max thrusting power. Riley purrs and smiles and begs for more.

He finds another chair, bends her over to her limit, and unleashes all of his black power and Riley is thrilled—she thinks she's tricked him into doing exactly what she wanted: a thrashing of her coed gash. Having used every tool in his box, he submits, pulls his dick out and fills her mouth with his goop. Good to the last drop.

Seed Of Success: Riley receives Prince Yahshua's labor of love.

JANA COVA
SHOWER HEAD

Gorgeous Eastern European blonde **Jana Cova** thinks the American habit of taking a hot shower every day is a weird one and actually pegs us as "the great unwashed" of the world. "Sure," she says, "I like to be clean," hosing down her ho-hole for the first time in three days under the warm nozzle spray of the antiquarian shower. "But all you really need is a good wipe down with a soapy wash cloth a few times a week. Unless, of course, you're working out vigorously or sweating a lot." Fair enough, Jana...we'll up it to two showers a day after the pother of perspiration your photos have provided. Filthy slut!
